Southern Virginia/North Carolina

**TOTAL CLEANING SOLUTIONS** serving southern Virginia and North Carolina strives to earn the client's long-term loyalty. We provide all supplies and equipment to ensure the best possible cleaning of your commercial location. We use conventional or green cleaning products. You make the choice. We carry both to ensure that you are always satisfied.

As the regional leader in healthcare cleaning, **Total Cleaning Solutions** offers services that emphasize ensuring every facility is pristine for the safety of all who enter. Healthcare cleaning services require an unwavering commitment to ensuring the safety of patients across hospitals, outpatient facilities, medical offices. It is vital that standards remain high, ensuring each medical facility caters to the well-being of their patients.

If you own a commercial property such as an office, warehouse, or restaurant, you know that cleaning for your customers is important! Total Cleaning Solutions can provide full-scale cleaning for your commercial property.

### Government, Education, Commercial, & Healthcare FACILITIES

### CONSTRUCTION SITE Clean-up

**TOTAL CLEANING SOLUTIONS** also provides clean-up following construction work. When your company expands and new construction is completed, Total Cleaning Solutions provides cleaning and removal of construction byproducts and waste.
